Cumbrian Stone Ltd

Company Profile

Cumbrian Stone Ltd is situated in Penrith and was formed in 2006.

With over 100 years combined experience in the stone industry we pride ourselves on being able to manufacture high quality masonry products to the domestic and commercial market as well as restoration and landscaping projects.

Locally quarried and nationally sourced Sandstone, Gritstone and Limestone are available offering a comprehensive range of products and finishes.

We stock a large range of walling from coursed pitch face to the much sought after Natural bedded walling and copes.

Fire surrounds designed and hand crafted to your requirements for something which is "A little bit different".
